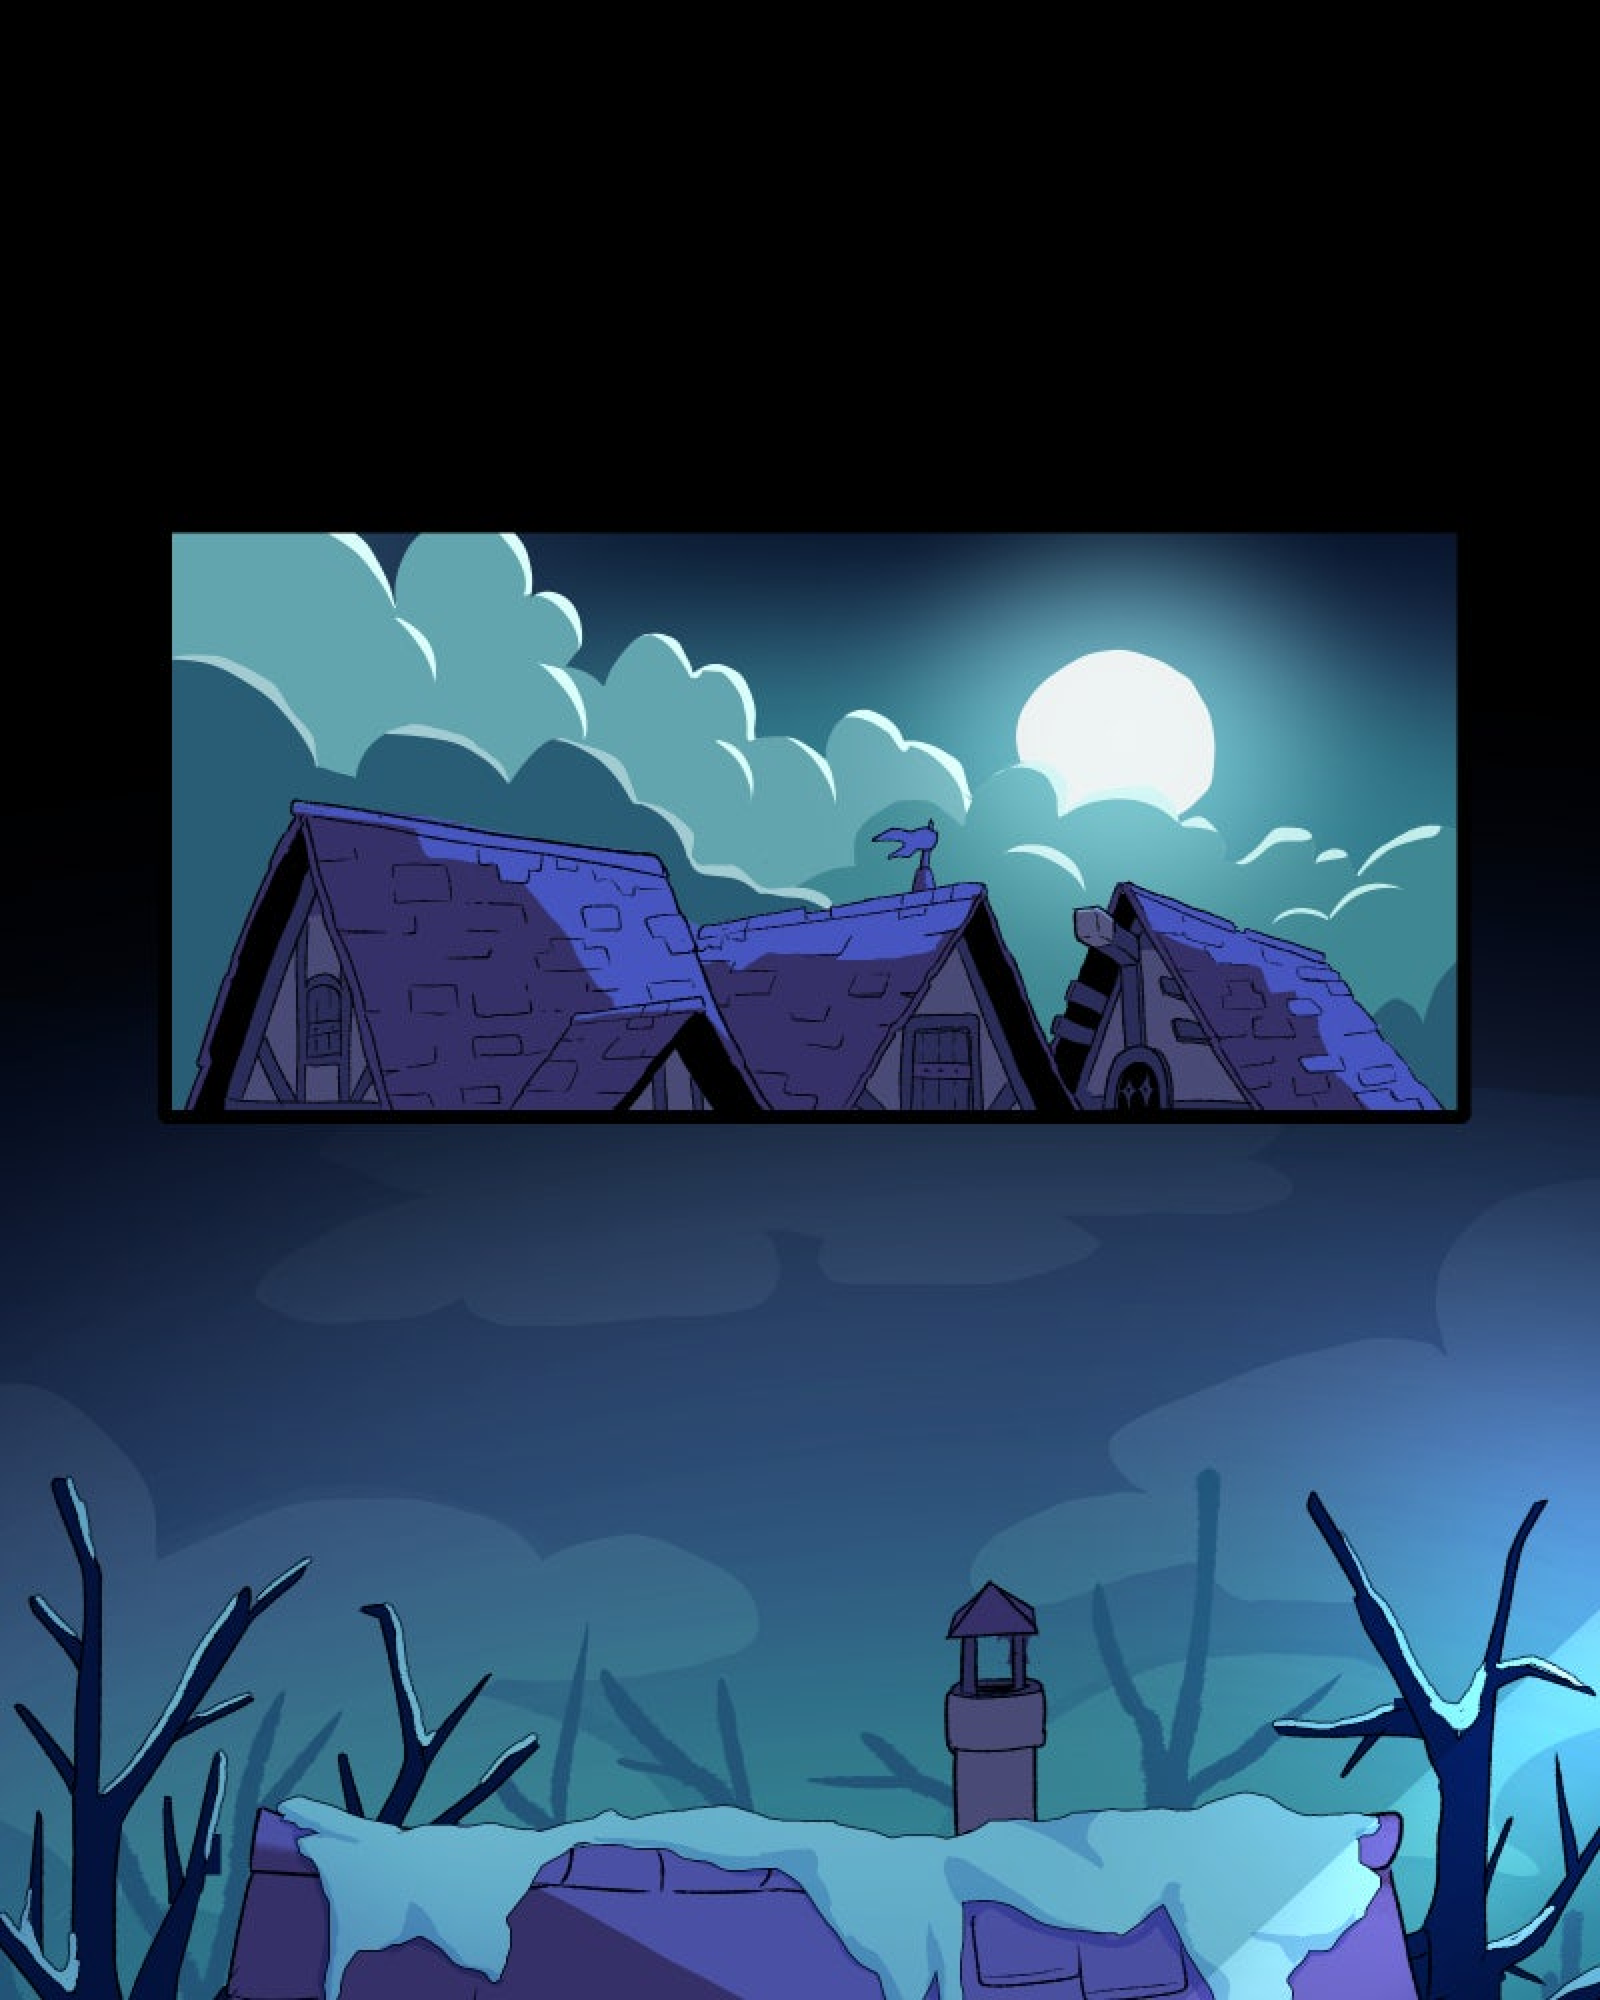
El silbón - TOL Finale

Nov 13, 2023



WOOSH

Finally back from the Llano, and with **souvenirs**.

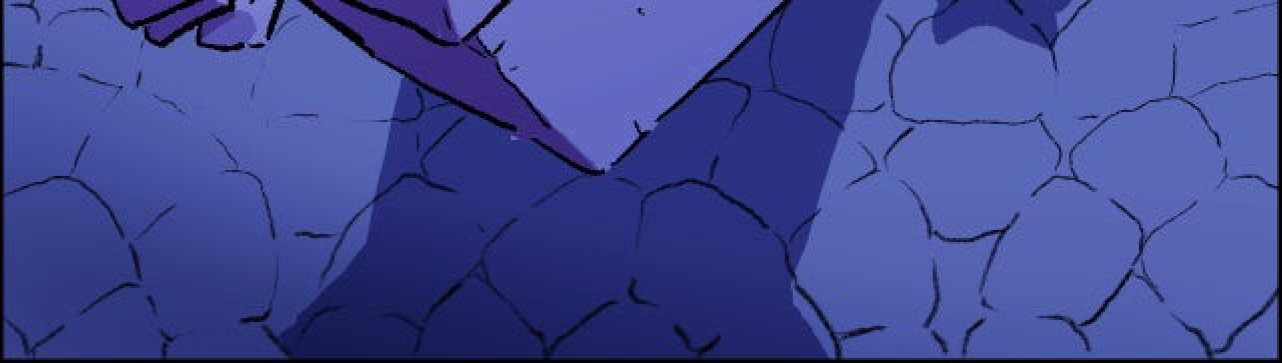
I got Emilia some green alpargatas.
Who is Emilia?

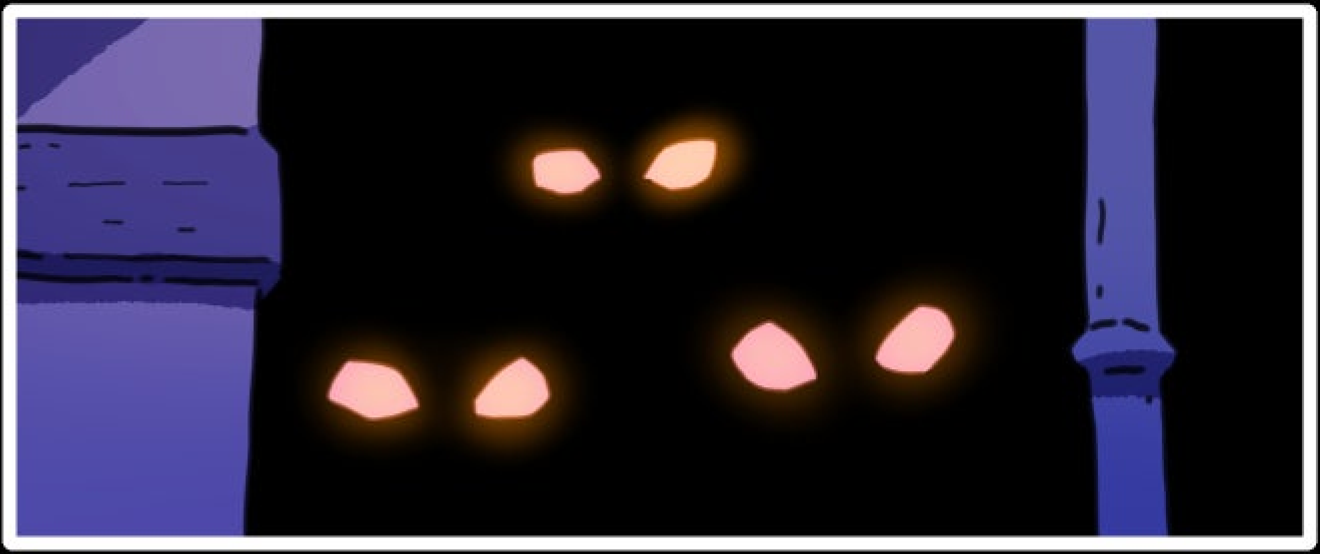
Emilia is my witch mom.

That's nice.

You can have them, as a proof of our Trial.

It's alright. I know what we've accomplished.
It's not like they are going to believe me either way.





let's say someone, hypotetically fails the trial...

what then?
He will be deemed unfit for the village.

AWOOOOOOOOOO!!!!!

!
Our big brave boy!

Everyone in the village has come to honor you.
Word has reached of your deeds.
But how?

Let's say a little bird told us.

I LIVE IN A WOLF VILLAGE...
ARE YOU A WOLF OR A CAT?

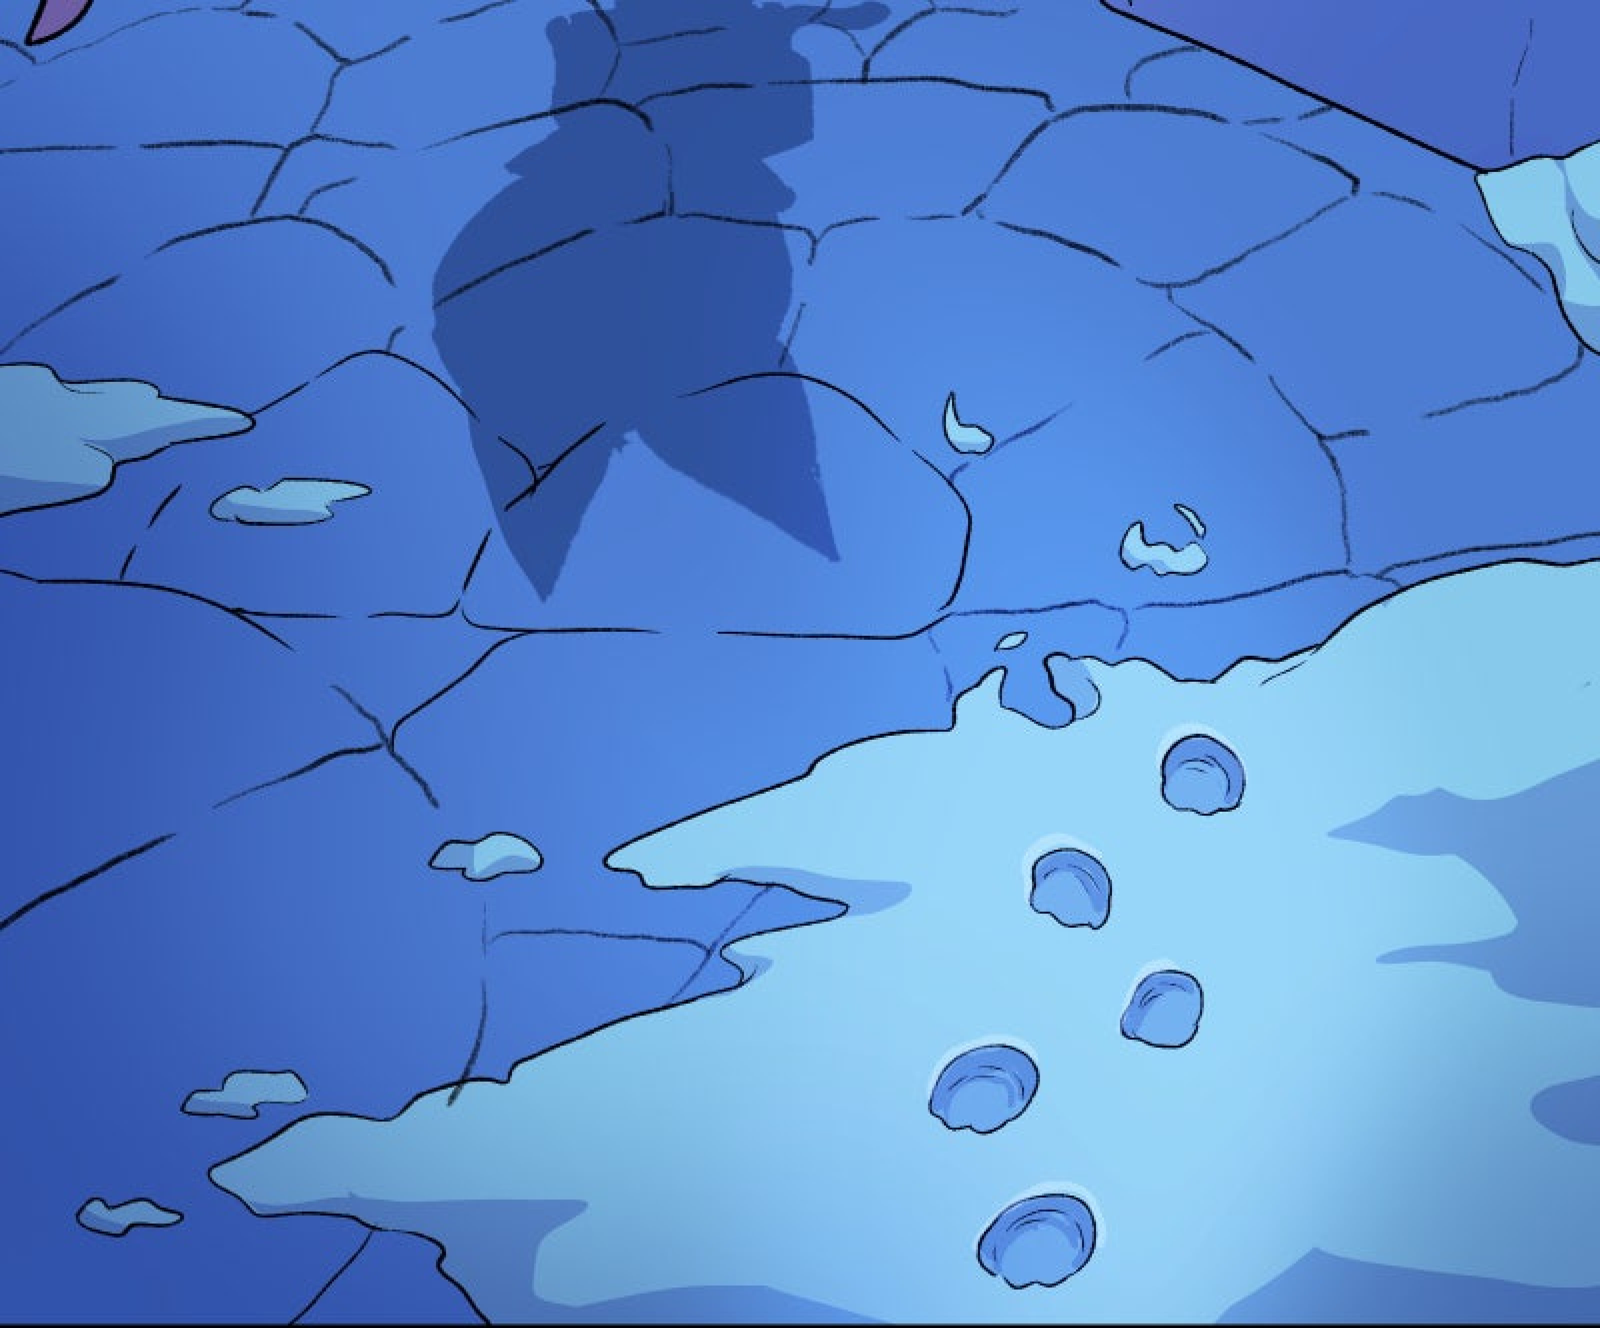
I'M TIRED OF TRYING TO CONVINCE OTHERS...
I'M SO MUCH MORE...

You are so, so much more, my darling.
A testament that it doesnt take a big nor a bad, to be a hero for the wolves.

To our hero of Leyenda!

AAWOOOOOOO!!

AAWWWOOOOO!!



Thank you, friend.

Don't be sad, Brush.
A whole realm of stories awaits us.

NOD

All we gotta do is...
step outside.
